The Schools Challenge Hong Kong 2024
香港學生挑戰賽 2024

The Schools Challenge Hong Kong 2024 – Innovating for Tomorrow@Kowloon East, co-organized by Junior Achievement Hong Kong (JA HK) and J.P. Morgan, is a comprehensive project-based learning that aims to help junior secondary school students to broaden their career horizons, and develop the skills, experience and networks they need to compete for jobs in the future. Through co-creating social innovations under the mentorship of business volunteers and university student volunteers, students enhance their teamwork, communication, problem solving, creativity, leadership and STEM skills, and are motivated to aim high and stay positive.

香港學生挑戰賽是一個為初中生而設的全面專題研習學習體驗，活動由青年成就香港部 (JA HK) 與摩根大通(J.P. Morgan)主辦。挑戰賽幫助初中學生擴闊視野，認識不同事業發展路向，並發展未來工作世界所需的技能、經驗及人際網絡。透過在商界義工導師和大學生義工的指導下共同創造社創方案，學生提升他們的團隊合作、溝通、解難、創意、領導及 STEM 技巧，並建立志向及正面積極的態度。

Upon completion of the program, students will be able to:
透過參與挑戰賽，同學將可：

- Develop creativity and problem-solving skills through designing an innovative product or solution to address a real problem in the community
  通過設計一項創新的產品或方案解決社區現有的問題，發展創意思維和提升解難能力
- Enhance teamwork and leadership skills through working with business volunteers and university student volunteers
  透過與商界義工及大學生義工一起合作，加強團隊合作及領導能力
- Develop listening and presentation skills through sharing the ideas with the community
  透過與社區分享想法，發展聆聽與闡述能力
- Stay positive and aim high
  保持正面，目光放遠
- Acquire STEM knowledge and skills, and apply them in daily life
  學習 STEM 相關的知識及技能，並應用於日常生活中
- Gain greater understanding about STEM careers and education pathways from practitioners
  透過業界人士分享，認識 STEM 相關行業及升學途徑
