## Introduction

- ▶ JA My Strength My Future is an innovative blended-learning initiative that aims to support young people's self-exploration and enhance their readiness for tomorrow's radically different jobs and workplaces.

## Program Highlights

- ▶ Powered by a dedicated online learning platform, students will take a fun and informative **Strength Discovery test** for career exploration, and develop a strength-based resume with the **Smart Resume Builder** tool to fully showcase their personality and strengths when they pursue their dreams academically or professionally.

Students will also be guided by their **Volunteer Mentors** through a series of hands-on activities and discussions for advices, inspiration and insight on personal strength, career options and development strategies to strive for future success.

The students can continuously utilize the online platform to enrich their profile with their learning experiences as they progress through their education.

1

### Session 1 : Strength Discovery

- Students will take a fun, informative and comprehensive Strength Discovery test to understand their personality traits and career interests
- Through the 1st Mentorship Meeting, students will gain further insight on their strengths and explore different career options

2

### Session 2 : Smart Resume Builder

- Students will learn to develop a strength-based profile and resume with the Smart Resume Builder tool
- Through the 2nd Mentorship Meeting, students will gain practical advice for enhancing their resume and interview skills and experience one-on-one mock interviews

3

### Session 3 : Career Planning and Opportunities Exploration

- Students will identify career opportunities in the real job market based on their strengths and career interests
- Through the 3rd Mentorship Meeting, students will receive advice for career planning and develop their personal action plans to further nurture their strengths and unleash their potentials

### Student Commitment

- ▶ Complete the 3-hour self-paced online learning activities according to the assigned schedule and attend the 3 one-hour mentorship meetings.

### Student Takeaways

- Identify strengths and career interest in a comprehensive way to enhance self-understanding and resilience
- Develop a strength-based profile and resume for a comprehensive presentation of their strengths, skills, experiences and achievements
- Engage with business professionals for first-hand understanding of the world of work and receive advice on career planning, resume-writing and job interviews
- Certificate will be presented upon completion

### About JA Hong Kong

Junior Achievement (JA) Hong Kong is one of the 100+ members of JA Worldwide, and a leading provider of Other Learning Experiences in Hong Kong. Our programs enable young people to learn the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 32,000 business volunteers from over 700 companies to serve more than 480,000 students from over 600 schools.

As one of the world's largest youth-serving NGOs, JA Worldwide prepares young people for employment and entrepreneurship. For 100 years, JA has delivered hands on, experiential learning in career readiness, entrepreneurship and financial health. We create pathways for employ ability, job creation, and financial success. Each year, our network of over 450,000 volunteers serves more than 10 million students in over 100 countries.
