Introduction

- ▶ JA Finance Park is an innovative blended-learning programme that aims to:
 - Inspire students to build a foundation for making intelligent, lifelong personal finance decisions.
 - Empower them to align the realities of life and personal choices at different life stages to live their dreams.

Programme Highlights

- ▶ Students will be guided by their **Business Volunteers** through a series of hands-on activities and discussions, inspiration and insight on personal finance management, and strategies to strive for future success.

Experiential, real-life simulation online learning platform, students will leave behind their lives as students and take on a life scenario: an avatar with a career, salary, credit card, a family, and financial obligations, where they learn about all aspects of personal finance including budget planning, saving and expenses, how education and finance decisions can affect their earning potential and future.

The students can continuously utilize the online platform to strengthen their financial knowledge with their learning experiences.

About JA Hong Kong

Junior Achievement (JA) Hong Kong is one of the 100+ members of JA Worldwide, and a leading provider of Other Learning Experiences in Hong Kong. Our programs enable young people to learn the world of work from the first-hand experience of business volunteers. Since our establishment in 2001, we have engaged the support of over 32,000 business volunteers from some 700 companies to serve more than 480,000 students from over 600 schools.

As one of the world's largest youth-serving NGOs, JA Worldwide prepares young people for employment and entrepreneurship. For 100 years, JA has delivered hands on, experiential learning in career readiness, entrepreneurship and financial health. We create pathways for employ ability, job creation, and financial success. Each year, our network of over 450,000 volunteers serves more than 10 million students in over 100 countries.
