GBA Fintech Talent Initiative

Hong Kong. Shenzhen. And now, Macau. Your GBA fintech journey starts here.

The Greater Bay Area Fintech Talent Initiative 2026 is back — with new cross-border learning opportunities in Macau.

Apply now and get ready to learn, explore and connect across the Greater Bay Area.

What is it all about?

The program helps university students build financial market knowledge, gain practical industry exposure and prepare for an increasingly AI-driven financial future. Through industry-led learning, company visits and cross-border experiences, students will explore the financial and fintech ecosystems of Hong Kong, Shenzhen and Macau.

Who should apply?

The program is open to full-time university students in Hong Kong across all majors and backgrounds. Selected students from universities in Shenzhen will also join the program for cross-border learning and exchange.

Why should you apply?

This is your opportunity to:

- Learn from experts at 20+ leading financial institutions, fintech companies and industry organizations
- Build future-ready skills through Bloomberg for Education and industry training
- Gain first-hand exposure through company visits across Hong Kong, Shenzhen and Macau
- Connect with industry mentors and senior leaders
- Strengthen your career readiness and professional network

The Hong Kong application process is managed by Junior Achievement Hong Kong.

Find out more about the program here.

Applications are open until November 14 - apply now.
